

USLO Summer School 2007

US Learning Online is offering core courses for students needing credit recovery or academic enrichment during the summer. Courses are fully accredited and taught by highly-qualified licensed teachers.

Dates

Summer Semester will start on Monday, June 4th and end on Friday, August 3rd.

Registration

Registration will begin on May 14. Students may start at any time after June 4, but they must complete course requirements by August 3.

Cost

The cost is \$350 *per course per semester* and must be paid before a student will be approved in the course. Students can pay directly with a credit card or a district can be billed directly.

Courses

English I - Semester 1	American Government - Semester 1
English I - Semester 2	American Government - Semester 2
Algebra I - Semester 1	Spanish I - Semester 1
Algebra I - Semester 2	Spanish I - Semester 2
Geometry - Semester 1	Personal Finance
Geometry - Semester 2	

*If you have specific course needs other than the course listed above, please contact us.
